Copy 11-SR

MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence
Director, Intelligence Community Staff

FROM: [Redacted]
Chairman, Science and Technology Advisory Panel (STAP)

SUBJECT: Request for Approval to Approach Individuals to Serve
as STAP Members [Redacted]

1. Action Requested: That you approve a recommendation in Paragraph 5 authorizing the Chairman of your Science and Technology Advisory Panel (STAP) to approach potential members to determine their interest in joining the Panel. [Redacted]

2. Background: The four-year terms of four STAP members will expire this coming fall and winter. The seven individuals listed in the next paragraph have been suggested as potential nominees for the Panel and would form a replacement pool to be drawn from as necessary. The Office of Security has been asked to conduct an initial file check of the seven to determine if there is any objection to a preliminary contact with them. No approach will be made until that check is completed. [Redacted]

3. As vacancies arise, the STAP Chairman will approach individuals to ascertain their interest in joining STAP. If an individual responds favorably, the appropriate paper work (request for special background investigation, financial disclosure/conflict of interest statements, and so forth) will be initiated to begin processing for membership. When all is satisfactorily completed (including a polygraph interview), a letter welcoming the person to the Panel will be prepared for your signature. [Redacted]
